Multiple Point Switches

Multi-Point® 5 Zone Thermocouple Switch

- Monitor up to 5 separate temperature zones
- Secure direct connection to EDL's Dyna-Temp® Pyrometers
- Accepts any miniplug terminated sensor
- Can be used with other EDL pyrometers if coupled with an extension lead
- 1 year warranty

| Specifications | |
|------------------------|-------------------------------------|
| Switch | Rotary switch |
| Switch Life | 25,000 Cycles min. |
| Input Connectors | Mini color-coded thermocouple jacks |
| TC Inputs | 5 |
| TC Types | E, J, or K |
| Case | Formed anodized aluminum |
| Weight | 140g (5 oz.) |

| Model | T/C Type | Temperature Range | Price |
|---------------|----------|--------------------------|----------|
| 5MTS-E | E | | \$131.00 |
| 5MTS-J | J | Determined by Instrument | \$131.00 |
| 5MTS-K | K | | \$131.00 |

Multi-Zone Thermocouple Switch

- Monitor 5, 10, or 20 thermocouples from one location
- Self contained thermocouple switch can be used anywhere
- Large rotary dial with easy to read position label
- Accepts mini-plug or phono-plug terminated sensors
- Heavy duty ABS Plastic alloy case
- Comes with extension lead for use with any pyrometer
- 1 year warranty

| TP-10SSB | | Determined by Instrument | 10 | \$225.00 |
| TP-20SSB | | | 20 | \$320.00 |

Instrument Accessories

Create your own Temperature Measuring Kit

Select the pyrometer and sensors for your specific temperature measurement application and EDL will throw in a quality carrying case **FREE OF CHARGE!**

Carrying Cases

Pocket-Probe® Carrying Case

- Made of durable codura material
- For Pocket-Probe Series Sealed Pyrometers
- Clip-on Strap for hands free operation
- Openings for LCD display and mini-plug input
- Separate compartments for sensors and other accessories

CC-PS: \$25.00
(Pyrometer Not Included)

Universal Codura Carrying Case

- Made of durable codura material
- Works with most EDL Pyrometers
- Foam insert keeps instrument safe and secure
- Ideal for safe travel and storage
- Case can accommodate an entire sensing kit

CC-NMP: \$25.00
CC-PD (Pyrometer Not Included)

CC-EZ
CC-DT
CC-BMD

Leatherette Carrying Case

- Made of durable leather with felt lined Instrument compartment
- For use with EZ Probe or Dynatemp series pyrometers
- Foam insert keeps instrument safe and secure
- Includes flap with locking clasp and belt strap
- Separate compartment for sensors and other accessories

CC-DCC: \$13.50
(Pyrometer Not Included)

Compact Canvas Carrying Case

- Durable, light weight canvas
- For use with EZ-Probe
- Belt loop and velcro flap
- Separate compartment for sensors and other accessories

CC-HL: \$13.50
(Pyrometer Not Included)
