techniCAL signs Distribution deal with IMADA

techniCAL Systems 2002 Inc. is pleased to announce that it has signed a distribution agreement with IMADA, Inc. of Northbrook, IL USA

Imada, Inc. provides durable, accurate and precise strength, hardness, torque and force measurement instruments and related force measurement type equipment to a variety of industries; aerospace, automotive, medical, electronics, food and beverage, packaging, construction equipment, etc.

Their force measurement formula for success is to deliver high quality instruments, at affordable prices, backed by an efficient four-point customer service plan:

- Easily reached technical support provided by a knowledgeable and experienced sales/engineering staff.
- Fast delivery – most Force Measurement items can be shipped the same day with their large in-house inventory.
- Readily available custom applications to address their customers' needs.
- Fast calibration and repair with 24-hour turn around emergency service

IMADA have committed to the quality of their ergonomically designed, easy-to-use instruments by achieving an ISO 9001 quality assurance program and ISO/IEC 17025 Testing and Calibration Laboratory accreditation. They also stand behind their products with a 2-year warranty on all gauges and stands.

In Canada, IMADA is distributed by techniCAL Systems 2002 Inc. Contact techniCAL at www.technical-sys.com or call 1-86-MEASURE-1 (1-866-327-8731) for more information.
